

2020 Season S Bar C Playdays 0-9 Assisted Riders Release

S Bar C Playdays has a division of 0-8 Assisted. This division is made up of riders that are not quite ready to ride on their own, unassisted as the 0-8 age group. Assisted riders are to do their runs by having a person lead or assist their horse through the events. If needed, another person may follow along side the rider for safety reasons. The horse must cross the timer prior to any person assisting or at the same time as the leading person. They may not be ponied or have another person on their horse with them.

By separating this division of assisted riders, it enables us to let them shorten some of the events and to also have the opportunity to win a ribbon for 1st-3rd or earn a participation ribbon. Ribbons will be given as well as High point Daily prizes and series final 1st-3rd. Also, at the series ends each child will be awarded a qualifying medal. **The Champion in this division will win the buckle.**

We will be awarding prizes in our assisted division in this manner for the 2020 season. If you are not happy with this manner of recognition, you may need to re-think having your child in the assisted rider's division. By signing this release, you acknowledge that you have read and understand how we award our assisted riders.

We are not to be held responsible for any disagreement between the parents of the assisted riders. By signing this release, you are acknowledging that you are aware of how this division is awarded. It is your responsibility as a parent to explain this to your child(ren).

I understand that the following release is signed at each playday by a parent or legal guardian. Since I am not at a play day with my child, by signing this release and keeping it on file with the board members of S Bar C Playdays, I am giving my child permission to ride at S Bar C Playdays for the 2020 season.
